

Managed Training Solutions

ADR Consultancy provides a range of Managed Training Solutions available as an integrated or outsourced training service

These Training Services are tailored to your organisation's specific requirements to provide the most efficient, quality and cost effective solution

Some of the training solutions we are able to assist with include:

- **Training Needs Analysis**
- **Training Project Management**
- **Training Administration**
- **Training Bookings**
- **Course Localisation**
- **Training Delivery**
- **Post Training Evaluations**
- **Management Reporting**

Operating exclusively in Health and Social Care **ADR Consultancy** is uniquely placed to support your organisational training and development programmes.

Our professionally trained staff are aware of the key factors and resistors affecting leaning and training delivery. With years of experience and backed up with the qualifications our trainer's will enable your staff gain maximum benefit from the learning experience instilling confidence and competence.

Through our previous experiences of working with Trusts, Health Communities and Local Authorities ADR Consultancy can help ensure that your training programme runs smoothly, effectively and on time by helping you to avoid pitfalls that can occur in both small or large scale projects.

Our Training Services can be tailored to your requirements, from supplying trainers to work alongside your existing team, through to providing an entire managed training solution.
