- Programme Management
- Project Management
- Change Management
- Training and Development
- Mentorship and Coaching
- Compliance and Accreditation

ADR Consultancy is uniquely placed to support your organisational programmes and projects.

With 20 years working in Health and Social Care both in public and private sector ADR Consultancy has international experience and a global reputation for the delivery of an extensive portfolio of unique and high profile achievements. Combining know how and grounding ADR can make strategy reality unlike many competitors which charge premium rates to tell you something you already know and then fail to implement. ADR Consultancy brings together "real world" experience, commitment and a proven track record to provide specialist services with effective outcomes in Health and Social Care. Whichever your need ADR Consultancy provides a specialist Health and Social Care Solution for you.

Through our previous experiences of working with Trusts, Health Communities and Local Authorities ADR Consultancy can help ensure that your requirements are taken care of professionally and in partnership to deliver focussed outcomes helping you to avoid pitfalls that can occur in small or large scale projects.

Our Services can be tailored to your requirements working alongside your existing team on a specific piece of work through to providing an entire managed solution.
