

Programme Management

ADR Consultancy provides a range of Programme Management Solutions from establishing a PMO to bespoke services including Benefits management, Reporting, Stakeholder Management and Managing Risk

These Programme Management Solutions can be tailored to your organisation's specific requirements to provide the most efficient and cost effective solution

Some of the solutions we are able to assist with include:

- **Establishing the Programme Management Office (PMO)**
- **Benefits Management**
- **Communication Strategy and Stakeholder Management**
- **Work-stream Management**
- **Management Reporting**
- **Risk Management**
- **Programme Assurance**

Operating exclusively in Health and Social Care **ADR Consultancy** is uniquely placed to support your programme.

Our professionally trained Programme Managers have the experience and skills combined with the awareness of the key factors and resistors affecting the successful delivery of your programme. This valuable experience will enable your organisation gain the benefits through the transformation your organisation needs.

Using our experiences of working with Trusts, Health Communities and Local Authorities, we can help ensure that your programme runs smoothly, effectively and on time with a practical approach to meet the demands of the modern "Real World" with pace of change.

Our Services can be tailored to your requirements, from establishing the PMO to specific areas of work in the programme, working independently or alongside your existing team, through to providing an entire Programme managed solution.
